Festive 2023

The Festive season truly is the most wonderful time of the year; a time for family and friends to spend precious time together, laughing, relaxing, celebrating and having fun. Killochan Castle offers an enchanting home-away-from-home Festive retreat.

The castle will be yours exclusively for your family and friends, all together in an exquisite medieval castle with all the modern luxuries.

A very warm welcome awaits you at the castle. A piper and cocktails around the crackling logs in open fires, the Christmas tree twinkling in the Great Hall as all the sounds and scents of the festive season dance around the castle.
