KILLOCHAN CASTLE

2025

Festive season at Killochan Castle truly is the most wonderful time of the year; a time for family and friends to spend precious time together, laughing, relaxing, celebrating and having fun.

Killochan Castle offers an enchanting home-away-from-home during the holidays. The Estate will be yours exclusively to enjoy with family and friends, all together in an exquisite medieval castle with all the modern luxuries.

A very warm welcome awaits you at the castle. A traditional Scottish piper and cocktails around the crackling logs in open fires, the Christmas tree twinkling in the Great Hall as all the sounds and scents of the festive season dance around the castle.

Our Festive Packages are all inclusive 4 night stays. However, guests are more than welcome to add on additional days, subject to availability.
